Dear Joe,

25X1 I am writing to advise you of the action taken in the case
25X1 of [redacted] of your Bureau.

25X1 Our records show that when FBIS was transferred from the
War Department to CIA (then CIO) on 29 December 1946, [redacted]
was given a temporary appointment, not to exceed 12 months, pend-
ing full clearance.

Since that date he has been given two extensions of temporary
appointment, the second due to expire 1 October 1948. Security
has informed me that he will not be cleared for a regular appoint-
ment.

After consultation with appropriate officials of the Agency
I decided not to request further extension of his temporary appoint-
ment. He will therefore be terminated on 1 October 1948 or shortly
thereafter.

25X1 Since official notification of termination has been sent to
[redacted] it will not be necessary for you to break the news
to him. Also it is against Agency policy to give detailed
explanations of the reasons behind such action.

I regret that this action was necessary but trust that you
understand the factors involved. I would have preferred giving
you advance notice, but the matter was not in my hands.

Yours sincerely,

25X1 [redacted]
L. K. WHITE
